Coming from both a solid Engineering background as well as the Arts, Steve is currently studying towards a doctorate with Communication Psychology, Cohesive Comms, Media Rich Concepts and Technology Convergence being particular spheres of interest.

UlearnUK exists as an **.org** primarily because of interest in the notion of the 'Social Enterprise'. Already involved in the development of an SE website (www.vitalinput.com), he is at this very moment, engaged in the launching of a second Social Enterprise partnership focussed on the South West of England.

If you are looking for Innovative Solutions which are exciting, look-ahead, and people-oriented yet with the added possibility of **saving** your organisation money, then consider contacting UlearnUK.
